

Amendments to the Specification

Please amend the specification starting with the first line of page 3 and ending with the second line of page 3 as follows:

Fig. 6 is a perspective view of a base; [[and]]

Fig. 7 is a sectional view of a slider; and

Fig. 8 is a sectional view of a portion of another door handle assembly taken along lines 5-5 of a door handle assembly similar to that of Fig. 3.
